

INNOVMETRIC SOFTWARE INC.  
END-USER LICENSE AGREEMENT

IMPORTANT NOTICE TO USER - READ CAREFULLY:

THIS IS A CONTRACT. BY INDICATING YOUR ACCEPTANCE BELOW, YOU ACCEPT INCLUDING, IN PARTICULAR, LIMITATIONS ON THE USE OF THE LICENSED PRODUCTS AND THE LIABILITY, ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT.

This InnovMetric Software Inc. ("InnovMetric Software Inc.") End-User License Agreement ("Agreement") is a legal agreement between you, either an individual or a single entity ("Licensee"), and InnovMetric Software Inc. for the InnovMetric software products commercialized under the PolyWorks®, PolyWorks|Modeler™, PolyWorks|Inspector™, PolyWorks|Inspector Probing™, PolyWorks|Surveyor™, PolyWorks|Talisman™, PolyWorks|Viewer™, IMAlign™, IMMerge™, IMEdit™, IMCompress™, IMTexture™, IMInspect™, IMInspect Probing™, IMInspect Scanning & Probing™ and IMSurvey™ tradenames, which include computer programs and may include associated software upgrades and updates, media, printed materials, and "online" or electronic documentation, and related items such as hardware (dongles) and software keys ("Licensed Products"). By installing, copying, or otherwise using the Licensed Products, you agree to be bound by the terms of this Agreement. You agree that this agreement is enforceable like any written negotiated agreement signed by you. If you do not agree to all the terms of this Agreement, do not install or use the Licensed Products; and contact InnovMetric Software Inc.

WHEREAS, InnovMetric Software Inc., a Canadian corporation, is the lawful owner of and/or has the right to license the proprietary computer programs, described in this Agreement.

WHEREAS, Licensee wishes to license use of the compiled code of the Licensed Products, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS CONTAINED HEREIN, THE PARTIES HEREBY REPRESENT, WARRANT, AND AGREE AS FOLLOWS:

1. PREAMBLE

The preamble is part of the present Agreement.

2. DEFINITIONS

The following terms are used in this Agreement, as defined in this paragraph:

2.1 "Licensed Software" shall mean Software products composed of InnovMetric Software Inc.'s computer programs in machine-readable compiled code, intermediate code or interpreted form, and associated program updates and upgrades, and related items such as hardware (dongles) and software keys.

2.2 "Licensed Materials" shall mean "online" or electronic user manuals and specifications, and any other media, printed materials, and "online" or electronic documentation, provided by InnovMetric Software Inc. to the Licensee for use with Licensed Software.

2.3 "Licensed Products" shall mean the set of computer programs and all user manuals and specifications, and any other documentation, provided by InnovMetric Software Inc. to the Licensee for use with Licensed Software, commercialized under the tradenames PolyWorks®, PolyWorks|Modeler™, PolyWorks|Inspector™, PolyWorks|Inspector Probing™, PolyWorks|Surveyor™, PolyWorks|Talisman™, PolyWorks|Viewer™, IMAlign™, IMMerge™, IMEdit™, IMCompress™, IMTexture™, IMInspect™, IMInspect Probing™, IMInspect Scanning & Probing™ and IMSurvey™.

2.4 "Error" shall mean any functional defect indicating that the Licensed Software does not conform with the Licensed Materials.

2.5 "Internal Use" shall mean the use of Licensed Software on the Licensee's workstations.

2.6 "Users" shall mean the directors, officers, and employees of the Licensee or any other person using the licensed

materials or products.

### 3. LICENSE

#### 3.1 Terms

InnovMetric Software Inc. hereby, grants Licensee a nonexclusive, nontransferable license to use the Licensed Products solely for its own internal use only and for no other purpose.

For purchased perpetual Licenses only--excluding Licenses leased for a pre-determined period of time, evaluation licenses, as well as temporary "one year use" licenses--the license is granted for an indefinite period.

For licenses leased for a pre-determined period of time, for evaluation licenses, as well as temporary "one year use" licenses, the license is granted for a period beginning at the installation date and for the duration of the lease or evaluation period or "one year use" period as agreed between InnovMetric Software Inc. and Licensee.

Licensee is responsible to clearly advise all Users, as described in section 2.6, of all obligations contained in this Agreement.

### 4. PROTECTION OF PROPRIETARY RIGHTS

#### 4.1 Right to use Licensed Products

Licensee acknowledges that no right, title or interest, other than the right to use the Licensed Products, is transferred by the present Agreement. Licensee is prohibited to sell, rent, lease or sublicense the Licensed Products.

#### 4.2 Confidential Information

Licensee acknowledges that the Licensed Products constitutes trade secrets, are furnished by InnovMetric Software Inc. to Licensee in confidence, and contain proprietary and confidential information. The placement of a copyright notice on any portion of the Licensed Products will neither be construed to mean that such portion has been published nor derogate from any claim that such portion is a trade secret or contains proprietary and confidential information.

#### 4.3 Nondisclosure

Licensee agrees that it will not, under any circumstances except as expressly authorized hereby, distribute or disseminate any information contained in or disclosed by the Licensed Products, including but not limited to any technical information, design concepts, processes, procedures, formulae, or algorithms, to any person except to those of its employees and/or other users whose access is necessary for Licensee's use as set forth above.

Licensee will take appropriate action, by agreement or otherwise, with such employees and/or other users, to inform them of the trade secret, proprietary and confidential nature of the Licensed Products so as to obtain their compliance with the terms of this section. In the event that Licensee, or any of its present or former employees and/or other users breaches the confidentiality obligations of this Agreement, Licensee shall be jointly and severally liable to InnovMetric Software Inc. for any loss incurred by InnovMetric Software Inc. resulting directly or indirectly from such breach.

#### 4.4 Restrictions on Copying

Licensee will hold the Licensed Products in strict confidence. InnovMetric Software Inc. hereby grants the Licensee the right to make copies of the Licensed Products, for backup purposes only.

#### 4.5 Reverse engineering

Licensee is prohibited from reverse engineering, de-compiling, disassembling, or creating any derivative work of the Licensed Software. Licensee shall not allow anyone to modify, disassemble, or de-compile the Licensed Software, or creating any derivative work in any possible way.

#### 4.6 Relief

Licensee acknowledges and agrees that the Licensed Products, as well as all other information in whatever medium disclosed to Licensee hereunder, are unique and commercially valuable and that any breach by Licensee of the terms of this Agreement with respect to protection against disclosure or distribution of the Licensed Products or such information would result in an irreparable and continuing injury to InnovMetric Software Inc. for which money damages would be inadequate. In the event of such a breach or anticipated breach by Licensee, InnovMetric Software Inc. shall be entitled to immediate injunctive relief or any other recourse and to specifically enforce the terms of this Agreement, in addition to any other remedy to which InnovMetric Software Inc. may be entitled at law or in equity.

#### 4.7 Non-competition

Licensee agrees that it shall not use the Licensed Products to assist in the development or design of a computer software program or other technology that is intended to provide substantially similar or similar functionalities or graphical user interfaces (GUI) substantially similar or similar to as the Licensed Products.

#### 4.8 Development of Utility

The Licensed Software shall not be used to develop, nor shall Licensee market, any conversion utility or aid specific to the Licensed Software enabling or facilitating users to convert from the Licensed Software to alternative software not marketed by InnovMetric Software Inc..

#### 4.9 Floating license usage report

The Licensee hereby acknowledges that the grant of a license to use the Licensed Products pursuant to a 'floating license' mode is subject to pricing which may vary upon the actual place of use of the Licensed Products. By purchasing a floating license, the Licensee agrees that InnovMetric may request, not more than once a year, a written usage report. In these instances, an authorized officer of the Licensee would then certify in writing the annual percentage of floating license usage per country. The Licensee shall cooperate with any reasonable requests of InnovMetric to facilitate any such audit.

### 6. WARRANTY

#### 6.1 Ownership of Copyrights

InnovMetric Software Inc. warrants that it has the right to grant this license to use the Licensed Products as contemplated hereunder.

#### 6.2 Infringement

InnovMetric Software Inc. will compensate Licensee for the reasonable disbursements only and/or defend at its own expense, any action brought against Licensee, to the extent that:

6.2.1 InnovMetric Software Inc. is notified promptly in writing by Licensee of the claim;

6.2.2 InnovMetric Software Inc. has sole control of the defense of the claim and all negotiations of any settlement or compromise, provided that any such settlement or compromise provide for the general release of all claims against InnovMetric Software Inc.;

6.2.3 the claim is not based on the use of a Licensed Software's version other than the most recent and non-modified version by Licensee;

6.2.4 the Licensee has not prejudiced InnovMetric Software Inc. position's in any way, by, without limiting the generality of the foregoing, its admissions and/or declarations.

InnovMetric Software Inc. shall have the opportunity, where a third party claims an infringement of its intellectual property, at all times, either before, during or after any proceedings, to provide the Licensee with the right to use such element of intellectual property or replace same in order to cease such infringement.

### 6.3 Non application of warranty

Paragraph 6.2 of this section is not applicable if the claim is based upon:

6.3.1 the use of other than a current unaltered release of Licensed Software if the infringement would have been avoided by the use of a current unaltered release of Licensed Software;

6.3.2 the combination, operation or use of any Licensed Software with any programs or software not provided by InnovMetric Software Inc., if the infringement would have been avoided by the combination, operation or use of Licensed Software with other programs, software or data; or

6.3.3 the use of Licensed Software in other than the operating environment specified for it by InnovMetric Software Inc. if the infringement would have been avoided by use in the operating environment specified by InnovMetric Software Inc.

### 6.4 Documentation

InnovMetric Software Inc. warrants that the Licensed Software conforms with Licensed Materials.

### 6.5 Limitation of warranty

Except as expressly provided in this section, InnovMetric Software Inc. makes no warranty, express or implied, with respect to the Licensed Products. Without limiting the generality of the foregoing, InnovMetric Software Inc. makes no warranty or merchantability or fitness for a particular purpose or that the Licensed Software is error-free or that licensee's use of the Licensed Software will be uninterrupted. InnovMetric Software Inc. will promptly correct all errors discovered within a period of ninety (90) days from delivery, upon notification by Licensee, if the following conditions are and were always respected since delivery date:

6.5.1 the Licensed Software is and was properly used as set forth in the Licensed Materials;

6.5.2 the Licensed Software was not changed nor modified by Licensee or a third party upon Licensee's request.

6.5.3 the Licensed Software was not used in ultrahazardous activities;

6.5.4 the Licensed Software has not been subjected to abnormal physical or electrical stress, misuse, negligence or accident.

### 6.6 Pre-release Software Product

If the Licensed Software you have received with this Agreement is a pre-commercial release or beta Software ("Pre-release Software"), you acknowledge that the Pre-release Software version does not represent final product from InnovMetric Software Inc., and may contain bugs, errors and other problems that could cause system or other failures and data loss. Consequently, the Pre-release Software is provided to you "AS-IS", and InnovMetric Software Inc. disclaims any warranty or liability obligations to you of any kind.

## 7. TERMINATION

### 7.1 Default

Either party may terminate this Agreement upon written notice to the other party without advance notice if the other party materially breaches the terms of this Agreement and such default continues uncorrected for a period of ten (10) days after notice in writing thereof to such other party.

### 7.2 Bankruptcy or Insolvency

The fact that one of the parties becomes insolvent or is adjudged bankrupt; makes a proposal for the benefit of its creditors; has a receiver appointed; files a petition of bankruptcy; initiates reorganization proceedings; causes or permits to occur any similar event under the laws of its domicile; or ceases to conduct its operations in normal course of business; or is wound up will be interpreted as a default under the terms of the present Agreement.

### 7.3 Effect of termination

7.3.1 License. Upon termination, all licenses granted pursuant to this Agreement and any Maintenance and Support Agreement executed by both parties will cease.

7.3.2 Return and Destruction of Proprietary Information. Licensee will immediately return to InnovMetric Software Inc. the Licensed Products and all whole or partial copies thereof, including all back-up copies, modifications and documentation thereof and purge all copies of the Licensed Products from all computer processors or storage media on which Licensee has installed or permitted others to install Licensed Products. Licensee will certify in writing to InnovMetric Software Inc. no later than thirty (30) days after termination that it has entirely complied with this requirement and that no Proprietary Information remains in its possession.

7.3.3 Compliance with Agreement Notwithstanding Termination. Notwithstanding the termination of the present Agreement, Licensee agrees to comply with section 4 of said Agreement.

If to Licensee: Current address of Licensee as mentioned on the purchase order or as otherwise specified by Licensee.

### 9.2 Waiver

No delay or failure of either party in exercising any right and no partial single exercise of any right shall be deemed to constitute a waiver of that right or any other right under this Agreement. No action arising out of this Agreement, regardless of form, may be brought by either party more than one (1) year after the cause of action has accrued.

### 9.3 Severability

If any provision, or portion thereof, of this Agreement is declared invalid by a Court of law or is unenforceable under any applicable statute or rule of law, it is to that extent to be deemed omitted.

### 9.4 No Assignment

The rights of Licensee under this Agreement may not be assigned, in whole or in part, and any attempted assignment of rights, duties or obligations hereunder without such consent shall be null and void.

### 9.5 Amendment and Modifications

This Agreement may not be amended, altered, or modified and no right hereunder may be waived except by a written agreement signed by authorized representatives of the parties.

### 9.6 Entire Understanding

This Agreement sets forth the entire understanding between the parties with respect to the matters set forth herein and supersedes all prior representations, understandings or agreements, whether written or oral, express or implied, with respect thereto.

### 9.7 Governing Law

This Agreement is governed exclusively by the laws of the Province of Quebec, Canada. Notwithstanding any other agreement or provision to the contrary, the parties acknowledge that the license was acquired in the Province of Quebec, Canada. Any other treaty convention or contracts according to international laws or the United Nations Convention do not apply. The Licensee irrevocably agree that, the courts of the Province of Quebec, Canada shall have exclusive jurisdiction in relation to any claim, dispute or difference concerning the present Agreement and any matter arising therefrom and irrevocably waive any right that it may have to object to an action being brought in those courts, or to claim that the action has been brought in a inconvenient forum, or that those courts do not have jurisdiction. Nothing in this clause shall limit the right of InnovMetric Software inc. to take proceedings against you in any other court of competent jurisdiction.

### 9.8 Language

InnovMetric Software Inc., and the Licensee by his acceptance below, acknowledges having requested that this document be drafted in English only. InnovMetric Logiciels inc., et le Licencié par son acceptation des présentes, reconnaissent qu'ils ont demandé que le présent document soit rédigé en anglais seulement.
